SHOT IN HEART BY

NEW YORK, Dec. 13.-The love of two men for Mrs. Helen Pensley, of the Bronx, ended in the murder of one

of the men, Sidney Gelgerman, nineteen, the Bronx, was shot through the heart. He died without uttering a word. The other admirer made his escape, but was captured by the police a few hours later. The object of their af-fections is horrified at the tragedy. The abooting took place in the

apartment occupied by Mrs. Pensley and Mrs. Helen Mullin, twenty-six.

The man accused is known both as Beppo Frank and Joseph Salvatore. He is about twenty-four years old. According to the story told the po-lice by both Mrs. Pensley and Mrs. Mullin, Frank had been paying devoted attention to Mrs. Pensley for several months. Geigerman, young and good looking, then came into the affair.

Mrs. Pensley is alleged to have shown a preference for her latest sultor and it is charged. Frank often threatened both. Geigerman, who was a chauffeur,

invited Mrs. Pensley for an automo-bile ride. Frank halted the machine. There were bitter words between the two men. They finally agreed to meet at the Mullin apartment and let the coman in the case express her preference.
According to Mrs. Mullin, the two

men met in the apartment. There were more words. Frank then suddenly whipped out a revolver and shot Geigerman through the heart.

Mrs. Pensley is the wife of a soldier. Mrs. Mullin is separated from here hashed.

Whether "Squire" Williamson exerts some mysterious charm over the couples he marries or whether it is the advice he gives them after performing the nuptials that keeps them away from the divorce courts is a matter of some conjecture. Perhaps It is because he has attained this record of marrying couples that go serenely through life with never a thought of divorce that so many young meople go from Philadelphia, Delaware county, and many other parts of Pennsylvania and New Jersey to have him perform the ceremony. And it is quite possible that many of these refrain from senarations that to these refrain from separations just to the "equire's" record unblen
